Agenda Topics

Title Plan

Review curriculum around holidays (accurate info)

vaccination/quarantining after Jan

Vaccination/quarantine after Jan

Starting to mix classes (buddy) groups, hands etc.

Good of the Order

Notes:

Parents are concerned that holiday materials aren't accurate. We will determine as a team how to go about vetting the materials that we use to teach the students about holidays around the world.

We will be starting our Common Needs Assessment to determine the greatest needs at DC.

Starting Jan. 3rd no quarantine if a student is wearing a mask - Exposed students wearing a mask can test to stay but must wear a mask for 8 days regardless of the opt-out form. Students can test immediately after being notified of an exposure

OR if student is fully vaccinated(2 weeks after 2nd dose) - of the student chooses not to wear a mask, the student is quarantined and can return to school 8 days after exposure provided they test negative prior to returning to campus

OR - If no test- return to school 10 days after known exposure

In January, we hope to start lifting some of the precautionary measures and utilizing buddy classrooms, mentors, etc.
